"After everything—
everything we had—
and she just—
...leaves me for another one like that?
"After everything—
everything we had—
and she just—
...leaves me for another one like that?
...so everything i did was for nothing?
i'm finished
i don't want to ever hear her name again
im moving on

Go away.
We're done.

...where...
...am I?
...what the...
